

Michele C.S. Lange, Esq.

Director, Product Line Management
Legal Technologies

Michele C.S. Lange serves as a Director in the Ontrack® Discovery and Ontrack® Forensics product lines for Kroll Ontrack. In this role, Ms. Lange is responsible for the evolution of the company's legal technology product and service offerings, conducts legal and market research and analysis, and engages in industry relations. From e-document preservation to litigation tactics, she also helps clients integrate electronic discovery into their case strategy.

On the topics of electronic discovery, computer forensics, and technology's role in the law, Ms. Lange is among the nation's most knowledgeable experts. Most notably, she authored, along with her colleague, Kristin M. Nimsger, the American Bar Association book, entitled *Electronic Evidence and Discovery: What Every Lawyer Should Know*. Further, her articles have appeared in the *National Law Journal*, *New York Law Journal*, *Law.com*, and *Digital Discovery & E-Evidence*, as well as numerous other publications.

Ms. Lange is frequently called upon by journalists to comment on cutting-edge law and technology developments, and she also routinely shares her expertise and knowledge as a guest speaker for legal associations, CLE programs and law school courses.

Ms. Lange graduated from the University of Wisconsin – La Crosse with highest honors and the University of Minnesota Law School, *cum laude*.
